Standifer", "PacRim, Joe Lucas", "ADNR (ADF&G), Kate Harper",

Marcia:

It will be necessary to receive PRC's proposed actions, which is in a "seperate file", inorder to put the alternatives in context. It is very, very difficult to proceed with out having the entire picture. Please forward Pac Rim's proposed actions as soon as possible so that we can make better sense of the contents of the draft preliminary SEIS proposed Action and Alternatives Section; inorder to inform well thought out responses.

Rob
